

# ERASMUS+

„After-school clubs to increase motivation and prevent school dropout“  
2018-2020

# About Utena Vyturiai progymnasium

Our school was established 42 years ago, in 1976. We had a few principals in the last 40 years.

We have many clubs, such as robotics, nature, art, sport, music and ceramic.

Like every school, we have a principal and a deputy.

Edita Kadūnienė, our principal.

Jolanta Dudlauskienė, our deputy.

# Our school logo

Two skylarks (birds)

A bell

Some feathers of pens

Our school slogan

---

“Vyturiai kils aukštai!”

“Skylarks will rise high!”

# Our school's current renovation

Our school was built during the Soviet Union time, thus our school's design is old. With that in mind, our town authorities decided to start the school renovation and at the moment the building is in the process of renovation.

Before

Utenos Vyturių vidurinė mokykla

After

# School gym and evidences of our sportsmennumerous achievements

# Our school library and a reading room.

# International project traditions

# Festivals, parties, celebrations

## Projects:

Let us meet a lot of new  
people from different  
countries

Let us share our ideas

Let us get many positive  
experiences

Incourage us smile a lot and  
become good friends
